

Words from the President

Winter is almost over and the date for our next meeting is fast approaching. March 30th is both our annual meeting and a conference planning meeting. I hope to see everyone then. I hear we will be having lunch at a very nice restaurant, that is within walking distance of the library. Don't forget to let Chris Carmichael or myself know if you will be attending on the 30th.

Congratulations to Janet Iles, Chris Carmichael and Pat Frook for getting the conference packages out before the end of January. I would like to commend Judy Koenig and Lynda Reid for their work, to date, in organizing the conference. They will be counting on everyone's support in the weeks ahead.

See you on the 30th.

Have you registered yet for the annual conference our region is hosting in Collingwood, May 10-12? Janet Scheibler is looking forward to hearing from you soon. Remember that March 30th is the deadline to register without paying late fees. A sample of your personalized name tag/hat will be available at the March 30th meeting for proofing, if you have registered prior to that date.

See the changes made last year, at the Owen Sound & North Grey Union Public Library as they prepared for automation. *multiLIS* has been used as the automated system for one year. Find out how the staff survived the year. Hear about their tmp records.

Eat at a new Owen Sound restaurant. Yum yum yum.

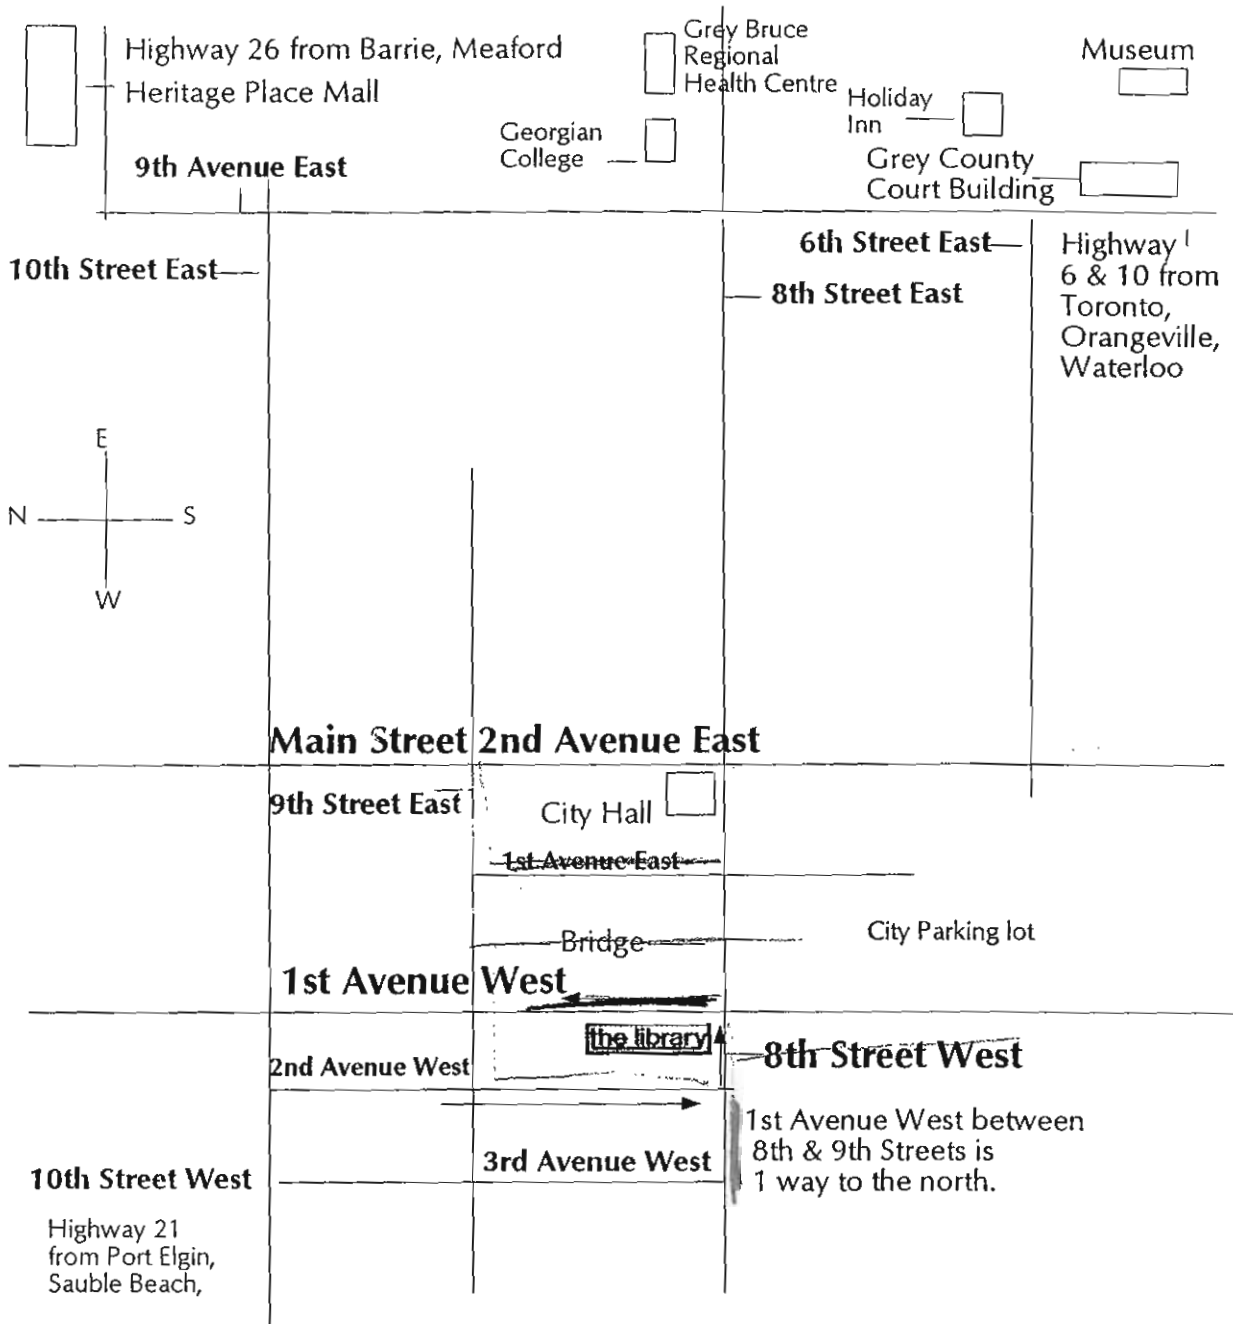

Find out what you can do to help prepare for the conference. See pictures from past conferences.
