3rd Annual Meeting:

We closed the 1977-78 year with our 3rd Annual Meeting. The annual reports were passed quickly as a result of the reports being mailed well in advance. Ron Cheney did an excellent job as chairperson of this meeting. Thanks Ron!

We would also like to thank the 1977-78 executive for a fine job done in the past year and hope that we are able to carry on the good work.

Your 1978-79 executive are:

Nancy McCormick, president
ph. 433-0855

Heather Chisnall, vice-president
ph. 472-8696

Linda Bone, secretary-treasurer
ph. 433-4891

We have included our phone numbers to encourage members to keep in touch. The new executive plans to have a calender of the upcoming events for the remainder of the 1978-79 term of office by the September meeting.

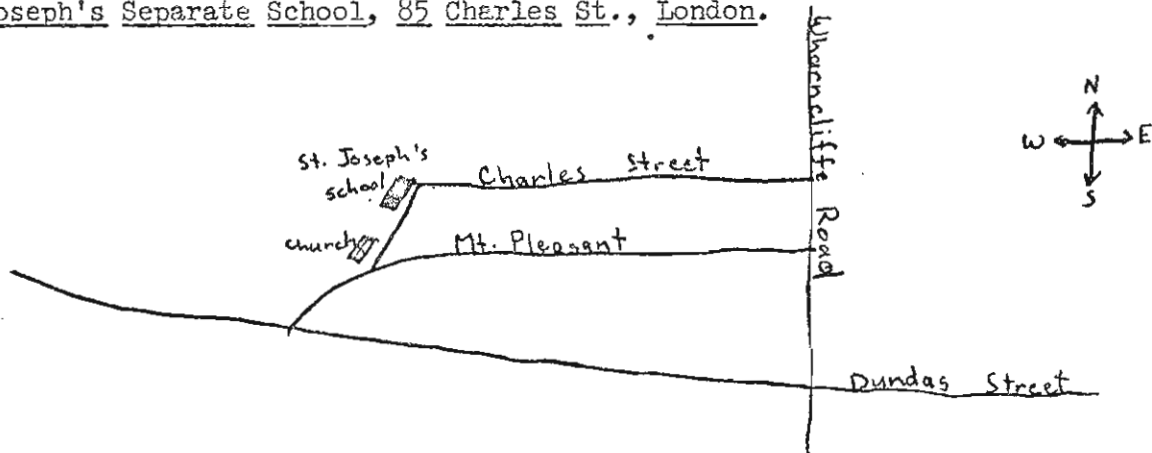

To make this your calender, and to help us plan what you want, we would appreciate ideas for workshops & speakers. If you have a specialty that you would like to share with us at a meeting, we would like to hear about that as well.

The time has come for all good (and/or slightly tardy) technicians to pay their annual dues. The fee schedule is as follows:

Full Member LRB	\$10.00
Full Member OALT/ABO	10.00
Student Member LRB	2.00
Student Member OALT/ABO	3.00
Associate Member LRB	5.00
Associate Member OALT/ABO	10.00

Fees may be mailed to LRB's postal box. Make cheques payable to London Regional Branch OALT/ABO. A receipt and membership card will be sent to you. Or if you like, you can save a little postage, and pay your dues in person at our next meeting.

We would like to invite all members (and interested friends) to our next meeting, to be held Monday, April 24, 1978 at 7:30 p.m. For a change, we have arranged to use the Learning Materials Centre located in St. Joseph's Separate School, 85 Charles St., London.

For this meeting we have invited the teacher-librarians and library staff of the Separate School Board to attend.

As you have probably discovered from the enclosed invitation, we have arranged for a guest speaker. Thanks are due to Cheryl Horton for the suggestion (and initial ground work) of inviting this speaker.

We hope that you can plan to attend this special meeting. A short business meeting will follow our speaker and coffee break.

Be seeing you.
