## F.Y.I.

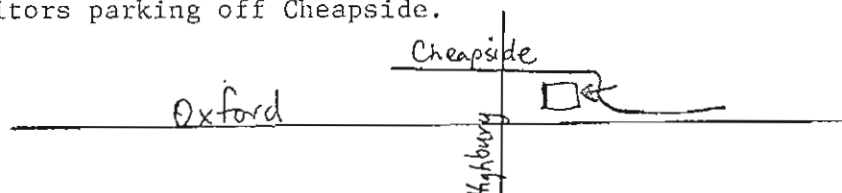

Eleanor Irwin brought an interesting bit of trivia to our attention at the last meeting. A driver for the Thunder Bay Public Library makes \$11,412/year. A first year Library Technician employed by the Thunder Bay Public Library makes \$10,850/year.

## Report on the Christmas Meeting:

Wednesday December 13th was a cold snowy windy night but the welcome given to us by Bonnie Gray from the Lake Erie Regional Library System made this meeting a warm and intimate gathering. We had plenty of egg nog, punch and Christmas cake left over, due to another poor turn out. The people who dared defy the weather, especially one member who drove in from Chatham, learned quite a lot about the many services provided by LERLS for our community and how we could obtain easy access to them. Bonnie also informed us of future workshops which LERLS were presently working on for 1979. We hope that if you were unable to come to LERLS that you take the initiative to make yourselves aware of how LERLS can assist you.

Raffle: We were pleased that our hostess for our last meeting - Bonnie Gray (LERLS) was the lucky winner of our raffle prize - a handmade Christmas Wreath donated by Heather Chisnall. Our next raffle (January Meeting - Jan. 17, 1979) will be for a hat and scarf, donated by Liz Hawley.

NEXT MEETING: Wednesday January 17, 1979. Robarts School for the Deaf - Library with Heather Gordon. Please meet in the foyer at 7:30-7:45 or you will not be able to attend due to security precautions. Parking available at visitors parking off Cheapside.
