## Niagara Regional Branch OALT/ABO

Volume 3, No. 5

### PRESIDENT'S REPORT

New Year's Greetings! As we begin a new year, we look back on a busy 1980 and forward to the 1981 OALT/ABO convention. Most of our 1980 efforts, meetings, and time focussed on the 1981 convention which we are hosting at Brock University in St. Catharines May 14 to 17, 1981. It has been at times a frustrating year but a great learning experience.

In February, we will have our annual regional General Business Meeting and election of officers. We hope to get as many new people as possible involved. The convention will take much of our time and energy for the first part of the year and we would like to see all of our members help out. Even if you are short of time - every little bit helps. Come out and be an active part of the 1981-1982 Niagara Regional Branch OALT/ABO

### NEXT MEETING

The next meeting will be held on February 23, 1981 at the Community Resources Centre on Victoria Ave. in Niagara Falls, at 7:30 p. m. Elections will take place at that time, so come out and show your support.

### STUDENT INTRODUCTIONS

In this issue, a brief resume of some of this year's graduating students is included. Others will be included in subsequent issues.
