We realize that tête à tête is a bilingual publication, but we were unfortunately unable to translate all of the articles in this issue. Therefore, we have published some of the articles in the language of submission.

VEUILLEZ NOTER

Nous réalisons que tête à tête est une publication bilingue, mais il nous a, malheureusement, été impossible de publier tous les articles de ce numéro dans les deux langues. Nous avons donc décidé de faire paraître certains articles dans la langue de soumission.

From the Editors:

Before this issue went to press, our material was waylaid by gremlins. Luckily, our hard working word processing person was able to produce duplicate material, thus only setting back production by a mere week.

So here it is, our very first issue from two novice editors. We hope to be able to keep up the high standards set by Claire Roy, our excellent predecessor, in the forthcoming year. We welcome your comments and contributions. Letters to the Editors will be considered for print and we will try to answer any queries.

Spectrum (1986) is fast approaching and promises to be an exciting Conference requiring everyone's participation. Are YOU involved?

FROM YOUR PRESIDENT

Hello,

Here are a few notes about myself.

A native of Noranda, I moved to Ottawa in 1978 to study in the Recreation Leadership program at the Colonel By Campus of Algonquin College. I worked in Recreation for two years before enrolling in the Library Technician Program from which I graduated.

I presently work for the Gloucester Public Library, Ogilvie Branch. One of my library tasks is to be in charge of children's programs, where my recreation training and experience is very helpful.

I wish to thank the members for making the Association what it is and with your help I hope that we can make it better. I believe that one of the advantages of the Association is the opportunity to communicate with other people in the same field.

I hope that I can meet you soon. Do not hesitate to put forward your opinions. Remember that you will get from your Association as much as you put into it.

Have a nice summer.

Louise C. Desjardins  
President

MOT DU PRESIDENT

Bonjour,

Voici quelques notes biographiques vous permettant de mieux me connaître.

Je suis originaire de l'Abitibi (Noranda) et je vis dans la région d'Ottawa depuis 1978; année au cours de laquelle je suis venue poursuivre mes études au Collège Algonquin en Loisir. J'ai travaillé en animation pendant 2 ans, avant de m'inscrire au programme de Bibliotechnique.

Je travaille présentement à la Bibliothèque publique de Gloucester, succursale Ogilvie. En plus d'accomplir un travail de Bibliotechnicienne, je m'occupe des programmes pour enfants; ici ma formation en Loisir est un atout précieux.

Ce mandat fait de moi une nouvelle au sein de l'exécutif régional. Heureusement, je sais pouvoir compter sur la collaboration des membres. Je tiens à remercier tous les membres qui ont oeuvré au sein de l'OALT/ABO et qui en ont fait ce qu'elle est. L'Association nous fournit une occasion formidable d'échanger avec des gens travaillant dans le même domaine.

J'espère avoir l'occasion de vous rencontrer très bientôt. En attendant, je vous invite à nous faire connaître vos suggestions, vos idées, vos opinions. Les membres sont le coeur de toute association, ils la font vivre, grandir... alors n'hésitez pas!

Je vous souhaite un très bel été.

NEWSLETTER COMMITTEE  
Annual Report

It is already the end of the 1984-85 fiscal year. As our membership year was one month shorter than usual, I was able to publish only 2 Newsletters.

tête-à-tête is an important communication tool for our region. That is why I tried to make the Newsletter interesting, educational and entertaining with the odd spelling and typing mistakes to keep you on your toes!

This year, in my last issue, the 2nd year students in Bibliotechnique were involved. I also added a "Weddings" column to make it easier for us to locate fellow members and former classmates if need be. The Conference Committee used the Newsletter as a means of communications to inform us of the different activities undertaken to raise money for the Conference. I found an article dealing with the "International Youth Year" which reminds us that our students will be out looking for a job soon.

The Newsletter Committee often consists of the same people. We constantly ask members to submit articles with very little success. It seems that whatever the reasons, the work remains in the hands of the same group.

I really enjoyed my 2 years as Newsletter Editor. I have given everything I had to offer. Best wishes to my successor in the achievement of her new tasks.

Claire Roy  
Newsletter Editor

COMITE DU BULLETIN DE NOUVELLES  
Rapport Annuel

L'année fiscale 1984-85 touche déjà à sa fin. L'année étant écourtée d'un mois, j'ai décidé de publier seulement 2 numéros.

tête-à-tête est un outil important de communication au sein de la région. C'est pourquoi, je me suis efforcée de rendre le Bulletin attrayant, instructif, amusant même, avec quelques fautes d'orthographe et de dactylographie.

Cette année, j'ai impliqué les étudiants de 2ième année "Bibliotechnique" dans mon dernier numéro. J'ai aussi ajouté la rubrique "Mariage" ce qui nous permettra de retracer nos membres plus facilement dans le futur. Aussi par le truchement du Bulletin, le comité de la Conférence a tenu les membres au courant des activités entreprises pour amasser des fonds en vue de faire de la Conférence, une réussite. J'ai aussi touché un peu à l'Année Internationale de la Jeunesse qui implique nos étudiants qui seront sur le marché du travail très bientôt.

Le comité du Bulletin de Nouvelles se compose trop souvent des mêmes personnes. On ne cesse de faire appel aux membres pour nous faire parvenir des articles, mais en vain! Il semble que toutes les raisons sont bonnes et le même groupe se retrouve avec cette tâche sur les bras.

J'ai bien aimé les 2 ans que j'ai consacré au Bulletin de Nouvelles. Ceci m'a permis d'épuiser toutes mes ressources. Je souhaite du succès à mon successeur dans ses nouvelles fonctions.

## PRESIDENT'S REPORT

As President for ORB for the first time, I had a year full of new experiences. Apart from the headache caused by the postal service, it was all worthwhile.

Throughout the year the Regional Executive, along with the committees, met regularly (about once a month) to discuss (and try to resolve) the numerous questions that came up. Many activities were also planned.

Two general meetings were held. The first one took place at "Café Colonnade". The main purpose was the 1986 conference that will be held in Ottawa.

The second one was also held at a restaurant, "The Place Next Door". Certain changes to the constitution were discussed.

Different workshops were also presented throughout the year.

One that obtained a great success was the one on "Library Technician as Supervisor".

"Small Computers in Library" presented by Mary Nash of Nash Information Center was our second workshop. It also obtained a great success.

Another workshop is planned for March.

Again this year the Newsletter Committee did an excellent job. Two numbers have already been published and the third will be published soon.

## RAPPORT DU PRESIDENTE

En tant que présidente de SRO j'ai une année remplie de nouvelles expériences. En dépit des maux de tête causés par Poste Canada, ce fut des expériences très enrichissantes pour moi.

A plusieurs reprises (environ une fois par mois) l'exécutif régional ainsi que les divers comités se sont rencontrés pour discuter (et essayer de résoudre) les divers problèmes encourus au cours de l'année fiscale. Plusieurs activités ont aussi été mises sur pied.

Au cours de l'année, il y a eu 2 réunions générales. La première s'est déroulée au "Café Colonnade". Elle avait pour but de rassembler diverses idées concernant la conférence de 1986 qui aura lieu à Ottawa.

La deuxième a encore eu lieu à un restaurant à "The Place Next Door". Certaines modifications à la constitution ont été discutées.

Différents ateliers ont aussi été offerts au cours de l'année.

Un qui a remporté un énorme succès fut celui "Le bibliothécaire(ne) comme superviseur".

"Les micro-ordinateurs en bibliothèque" présenté par Mary Nash de Nash Information Center fut notre deuxième atelier. Celui-ci a aussi remporté un grand succès.

Un autre atelier est prévu pour le mois de mars.

Encore une fois cette année le comité du bulletin de nouvelles a accompli un excellent travail. Deux numéros sont déjà parus et un troisième va paraître prochainement.

In October 1984 I visited the 2nd year library technician students at Algonquin. Claire Roy visited the first year in January and Femmy Birks met with a group taking library technician night courses.

A letter of congratulations was sent to all graduates of '84 of Algonquin College.

A bursary of \$100.00 was given to a student taking the library technician course (french or english) at Algonquin.

The Conference Committee deserves a very special attention. They have accomplished a tremendous amount of work:

- two general meetings, a slide show on France (excellent presentation), plus another one planned for April

- numerous contacts have already been established and this is only the beginning

Before ending I would like to thank the executive members and the committees for their support and for all the hours they freely gave for the association.

Good luck to my successor.

Anne Landry  
President

Au mois d'octobre 1984, j'ai visité les élèves de 2ième année du cours de bibliotechnique français et anglais. Claire Roy a visité le cours de première année en janvier. Femmy Birks a rencontré un groupe d'étudiants du soir en bibliotechnique.

Une lettre de félicitations a été postée à tous les gradués(ées) de l'année 1984 du collège Algonquin.

Une bourse de \$100.00 fut remis à un étudiant(te) en bibliotechnique du collège Algonquin.

Une attention toute spéciale doit être réservée au comité de la conférence. Elles ont accompli un travail énorme jusqu'à présent et ce n'est que le début:

- deux réunions générales ont été organisées, une soirée de diapositives sur la France (excellente présentation)

- de nombreux contacts ont déjà été établis

Avant de terminer je voudrais remercier tous les membres de l'exécutif ainsi que ceux des comités pour leur support, leur encouragement et toutes les heures consacrées à l'association.

Bonne chance et bon succès à mon successeur.

Anne Landry  
Presidente

VICE-PRESIDENT  
Year-End Report

The main purpose of the vice-president of any organization is to assist the president at his/her duties, and to be available to take over those duties when necessary. Since our president has been very capable this year, my duties in this area have not been onerous.

However, I occupied another position this year as well as V.P.; that of Job Liaison for the Ottawa area Library Technicians. The Job Liason function is to act primarily as a clearing-house, or a go-between for those people looking for work in the library field and those who have work to offer.

It is unfortunate that this year there have been many more people looking for work than there are jobs available, particularly in the government, where the large percentage of Ottawa-area library jobs are to be found. Virtually all the information that I have been able to pass on to possible applicants has been concerning contract or term positions, most for less than six months. This information has been relayed to the interested individuals so that they can carry on with applications for these positions.

As a great many library jobs in our area seem to be advertised by word-of-mouth, I would recommend that next year's Job Liason person consider a letter to local employment agencies and personnel directors of various government departments and business organizations to put them in touch with qualified library-trained people. I think that this would encourage more participation from the employer side of the liason and generate information about job openings before public advertisement.

Good luck to next year's executive!

Barbara Jardine

DIRECTOR'S REPORT  
March 4, 1985

In each calendar year of our Association, there are approximately 5 or 6 Executive and Board of Director meetings, usually held in the Toronto area. At these meetings, I, as your Director and representing Ottawa Regional Branch, vote on matters pertaining to the Association. My votes of course reflect Ottawa's viewpoints and decisions, and these are presented to me through our own general meetings and meetings with the Ottawa executive. There were gatherings in June, September, November '84 and January, March '85 - I was unable to attend two of these but we had Ottawa representation anyway, in the person of Barbara Cope and Loretta Taylor. As you can probably appreciate, it is sometimes difficult to get the time off and Toronto is more than a hop, skip & jump away.

As we are so often "drowning in paper" I would like to make my report as brief as possible. The main topic for discussion throughout the year has been the exorbitant cost of the Newsletter/Nouvelles, the many problems associated with producing the same, the new AV presentation and of course, the settling of the "associate member" problem.

In regards to the Newsletter/Nouvelles, the Executive and Board of Directors have made some decisions as to slightly less expensive grade of paper, printing a much smaller version and general cost-cutting manoeuvres. The AV presentation will cost \$3,500 (an extremely good price as many were priced at \$10,000) and will be a highly professional and polished 10-minute slide show.

Our own branch made the proposal to accept as full members of OALT/ABO those associate members in good standing who had worked in a library milieu for 5 consecutive years. This was the general feeling for many branches and Thunder Bay has made the firm proposal for such a change to the Constitution. It will be presented at the ABM of our Conference in Toronto in May '85, to be voted upon by the general membership.

If anyone has specific questions regarding my tenure as Director, please feel free to address them to me at any time. I can recommend the position to you, fellow members, as an ideal way to know your Association - in fact, any position within the Executive. It is an invaluable learning experience - and it looks good on resumé's ....

Veillez accepter, s'il vous plaît, mes "apologies" - je ne fait pas un traduction pour les raisons divers ....

Respectfully submitted by:

Pat Graham

DIRECTOR'S REPORT

re: Conference, Toronto, May 1-4, 1985

A brief report for ORB executive and regional members in regards to the OALT/ABO Conference held in Toronto, May 1-4, 1985:

The Annual Business Meeting ran quite smoothly due to President Loretta Taylor's guidance and the presence of a Parliamentarian the Honorable Alan Redway, member for York East and former mayor of East York. The housekeeping details were handled fairly quickly and we moved on to the main business - the motion to allow 5-year members in good standing to become full members with the accompanying voting privileges. I must confess I tendered ORB's decision with some reluctance. I'm sure some of you know of my feelings on this matter. There was some discussion among those members present and I feel quite sure could have turned the vote but felt that was not in keeping with my position as Director. But the vote is that which is registered by those present at the ABM - so count your blessings! The vote was carried.

The workshops presented were good ones - I know I enjoyed the ones I attended (Records Management). As workshop choices are a personal decision, I won't go into them in any detail. But those that I spoke to seemed to enjoy and benefit from their selection.

It was delight to see new Ottawa members there and participating - even nicer to see them at the ABM. That's where you see how OALT/ABO works. Bravo for your attendance there.

Was most pleasantly surprised to receive the region's award this year - it definitely was a surprise! I almost (but not quite) was at a loss for words... May I thank you all most sincerely for thinking of me? Your appreciation, shown in this manner, means a great deal to me.

This is not a very business-like report but then again I'm not a go-by-the-book type of person, anyway. May I repeat - if at any time, anyone wishes to contact me about the executive meetings, please don't hesitate to call. You do know, of course, anyone may attend these Board meetings? You may not vote but you may attend and listen and learn!!

Respectfully submitted by:

Pat Graham

(Editor's note: Pat received a standing ovation too!)

ORB/SRO REGIONAL AWARD

It was a memorable evening on May 3rd 1985 for Pat Graham. She had been chosen as recipient for the Ottawa Regional Award. An engraved plaque was given in appreciation for her time and devotion to the Association.

Pat was honoured by members with standing ovation during the presentation.

Francine Ryan made the following speech:

Good Evening,

The Ottawa Region is proud to give this year's regional award to a great lady.

As one of the founders of the OALT she has been supporting us by giving her time and effort for the last decade.

We would like to honor Pat Graham for her dedication and her participation in different executive positions, committees, etc. ...

In appreciation for your devotion Pat, I am presenting this to you as a remembrance from all of us.

PRIX DE MERITE DE L'ORB/SRO

Ce fut au banquet annuel qui a eu lieu à Toronto en mai dernier, que l'on remit le prix de mérite à Pat Graham. Une plaque gravée fût présentée en remerciement pour son dévouement à l'association depuis plusieurs années.

Les membres présents honorèrent Pat par une ovation chaleureuse pendant la présentation.

Voici le discours lu par Francine Ryan lors de la remise:

Bonsoir,

La région d'Ottawa est fière de présenter le prix de mérite régional à une grande dame.

Etant une des fondatrices de l'ABO, elle a su démontrer son appui pour notre région en donnant généreusement de son temps et par ses efforts soutenus depuis si longtemps.

Nous aimerions honorer Pat Graham pour son dévouement et sa participation à plusieurs comités, postes exécutif, etc. ...

En reconnaissance pour ton dévouement, je te présente cette plaque comme souvenir de la région d'Ottawa.

SPECTRUM '86

Greetings and Salutations everyone - time for another thrilling report from your Conference Coordinating Committee. Things have been pretty quiet lately but now that this years Toronto Conference is out of the way things should start to heat up.

We had another fundraiser on April 25th at Woodroffe United Church - a slide show entitled "Hawaii Calls...". We had a better turnout than we did for our October one but we would still like to see a few more members in attendance. We received many favourable comments on our presentation (and the refreshments) which made us feel that all our hard work had been worthwhile. We have another slide show tentatively planned for the end of September. Our audience for these slide shows is drawn from our membership, church members, people who see our notice at the local library, relatives, friends etc. Everyone is welcome to come and at only \$1.00 for admission the price is certainly right.

We would like to take this opportunity to thank the outgoing Executive for all their support and encouragement. From hanging posters and paying the hall rental to baking cookies, their help has been invaluable to us.

The next year will be one of intense work, organization and planning. Our regions reputation is on the line and it is up to all of us to make sure it survives the 1986 Conference unblemished. Organizing a conference like ours is an enormous challenge but I am sure we are more than equal to it. Every task is important - from stuffing envelopes to arranging workshop speakers - and we need all your help and cooperation. Our members deserve the best Conference we can put on - and as that silly hair-colour commercial says - "We're worth it".

And for those brave souls who have already volunteered - Fear Not! - we have not lost your names (I think) and we will be conscripting you into our little band of loonies shortly.

I'll climb down off my soapbox now, but speaking of speakers - does anyone have any ideas for a Banquet Speaker? We have a couple of names but would appreciate a couple more suggestions.

If you have any suggestions, ideas, information, or questions on or about anything or (Good Heavens!) want to volunteer to help us before we are all carted off for an extended stay at the Royal Ottawa, please do not hesitate to call us at the numbers listed.

Je suis désolée que cet article n'est pas été traduit, notre traductrice est en vacance en France.

Thanks for your attention.
