AACR II WORKSHOP

Date: Saturday, January 31, 1981
Time: 10:00 a.m. - 3:00 p.m. approx.
Place: Conference Dining Room, Confederation College

This workshop, with Lenora Aedy, will feature a comparative approach to the new cataloguing rules, with emphasis on description, points of access and corporate entries. The afternoon will be taken up with practical application.

Some copies of the new rules are still available at the university bookstore. All participants who have a personal copy are advised to bring it along.

The workshop is limited to a maximum of 25 registrants, so register early! Call Marjorie Coleman at 577-5689 evenings after 6p.m. Registration of members only will be accepted up to January 25. After that date non-members may register, in the event that any places are yet unfilled.

COMMENT

by Annemarie Florian

1981 is now upon us and promises to be a busy year, especially so since OALT/TBRB has undertaken to host the Provincial Conference for 1982. Preparation must begin immediately. Enthusiasts LaRea Moody and Donna Fossum have agreed to co-chair the conference committee. Anyone wishing to donate time and energy is advised to contact either LaRea or Donna. We're bound to need all the help we can get!

For those of you who were unable to attend the last general meeting, held on Wednesday, November 26 (not Tuesday, as was stated in the previous newsletter -- sincerest apologies for that particular error), our condolences. A very profitable evening was had by all, and our thanks go out to participants Bob Welsh, Peter Kohl and Penny Marshall, not only for the sharing of their knowledge and views, but also for the entertaining methods of delivery. Thanks also to Fred McIntosh for his 'moderation'?!

Recently the executive received a request from Judith Carter in Fort Frances for one of our general meetings to be held on either a Friday or Saturday night, so that members in the region may also have the opportunity to attend. Many thanks for your letter, Judith. We would be interested in hearing from other out-of-town members on this subject. Perhaps some people from outside of Thunder Bay plan to come in to the city for the AACR II Workshop at the end of January. If so, some discussion on this problem could follow at that time.

ANNUAL GENERAL MEETING

Date: Wednesday, April 8
Time: 6:30 p.m.
Place: Airplane Motor Hotel

An agenda will be published two weeks in advance of this date, and shall include the nominating committee and any proposed constitutional changes. In the meantime, please give some thought to whom you would like to nominate for executive positions or if you would stand for office if asked.
