Although it may seem that we just got through our annual conference it is time to start thinking and planning about next year's conference. It promises to be a big one as it will be our 10th anniversary! The date is May 5 - 7, 1983 and it will be held at Laurentian University in Sudbury. The theme, of course, will be "DECADE ONE". Sudbury promises to be a lively city as they will be celebrating their centennial. Start planning to attend by collecting any pictures you may have of past conferences as there will be lots of nostalgia. For further information please contact: Sudbury Conference Committee, P. O. Box 2351, Postal Station A Sudbury, Ontario P3A 4S8.
