GENERAL MEETING

The first general membership meeting for this year will be held on September 21, 1983 at 7:30 p.m. in the Library Technology Lab, Lakehead University. The 1983-84 executive will be present if you have any questions; or ideas & suggestions for workshops.

The main item on the agenda will be a discussion on the proposed change to the Library Technology Programme at L.U. A vote will be taken at the end of the discussion, on whether the Thunder Bay Branch membership supports or does not support the proposed new programme. Mr. Fred McIntosh, Director of the School of Library Technology, will be present to aid in the discussion. Come out, participate, make your vote count!

FALL WORKSHOP

An assertiveness training workshop is scheduled for October 29, 1983, from 1-4 p.m. in the Library Tech. Lab, L.U. Leading this workshop will be Edna Walhead, Assistant Professor, School of Nursing, Lakehead University.

"Teaching people to be assertive is teaching them how to handle people who are trying to manipulate them" This is the basic idea Ms. Walhead is trying to get across when speaking to various groups about assertiveness. If you wish to be more assertive, this is a workshop for you. To sign up, please contact Yvonne Rezek, Coordinator, in the evening at 344-4652. There is no charge for members.
