

TECH TALK

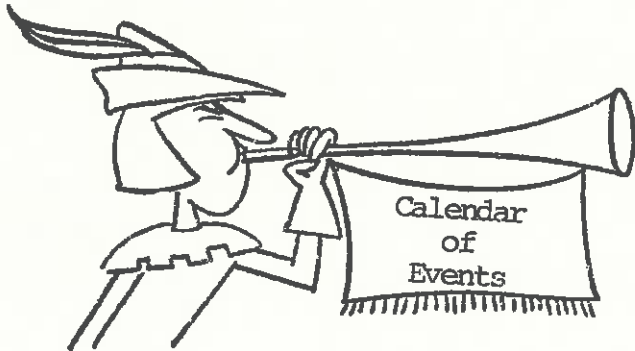

Volume 11 Number 1 September 1985

The September issue of the newsletter will inform you on what your executive has planned for the following year. Many of the dates have already been confirmed, but others are still pending. Watch for the announcements.

September brings in the season of Fall and with this season also comes the new students and those who are returning for their final year in Library Technology. A warm welcome goes out to both groups.

If anyone would like to contribute an article for any issue of the newsletter, feel free to do so.

Annual Dinner Meeting
(place to be announced)

Apr 12, 1986

Provincial Executive Meeting
Toronto

Mary Lou Kolodinski will be sending out notices about the above events.

WELCOME TO 1985/86 STUDENTS
Sep 13, 1985

Mary Lou Kolodinski and LaRea Moody members of the executive welcomed the students for the forth-coming year with coffee and doughnuts. They answered any questions that the students had. Wendy Woolsey, also a member of the executive, prepared a bulletin board with information on the association.

Bank balance: \$2534.23

Membership: 44

FUNDRAISING

The Thunder Bay region will be selling coffee mugs this year to raise money. The mug will have the logo from the newsletter.

The executive is also checking into the possibility of selling chocolate covered almonds.

Any further suggestions to help raise funds for the association will be greatly appreciated. Please contact a member of the executive with your suggestions.

DIRECTOR'S REPORT Sep 14, 1985

A number of matters were dealt with at this meeting; chaired by President Janna Munkittrick, and attended by 13 representatives.

1. Fees for senior citizens. Age limits vary throughout the region. The question was also raised about whether a special membership fee should be set for unemployed technicians. Apparently, OLA and CIA have such a classification.

2. Presidential Awards. Loretta Taylor will chair the committee.

3. Conference Proceedings. Because of the large expense of publishing the conference proceedings, it was decided to send copies to all those who attended the last conference, and print enough extra copies to send one to each region and two for the Archives.

4. Newsletter/Nouvelles. The cost of publishing the next two issues will run approximately \$4000. Alan Devine, Roberta Tripp and Kathy Grein gave a detailed report, and also suggested a name change. If the majority of the regions vote in favour of the name change, (vote to take place in TBRB Sep 26/85) the next issue will appear as a new series, beginning with

volume 1, number 1. September 30th is the deadline for all submissions for the January issue, and January 31st is the deadline for the April issue. An updated copy of the membership directory will also be included. Advertising and funding are being looked into.

5. Conference Report. Dates are May 27 - June 1, 1986 in Ottawa at Carleton University. Among items under consideration are spending a day working in a federal library, tours of Montreal, performance at the National Arts Centre, visit to the Market, alumni night, dinner cruise, banquet and disco. Approximate cost is \$300.00 including everything except transportation. Mini packages will be offered. First mailing is to go out in October-November 1985. OTTAWA would like a copy of an updated mailing list from each region (therefore keep your membership valid). Among workshops being considered are Stress Management, IBM PC software, ULAS, Microcomputers, On-line searching, Interviewing skills, How to debate, etc. The theme of the conference is SPECTRUM '86.

Respectfully submitted,
LaRea Moody
Regional Director
