PORT'S LAST WORDS

I would like to take this opportunity to thank all of the people that I have worked with this year. Phyllis Wright, Barb Shannon, Terri Smith, Mary-Louise Gregotski, and Sue Pullan deserve special thanks for taking on the responsibilities of their offices, and for carrying them out so well. Without these people, the Association would have remained just an idea in someone's head. Mr. Bowman and Mrs. Hewitt deserve a vote of thanks from the whole organization for the support and help that they have given us. When I have talked to technicians in other parts of the province, they are continually amazed at how much help we are getting from these two people, from advice to printing our booklets, financial support with enrolling students in the Association, and for introducing Chris Campbell to us that first time. Mr. Bowman and Mrs. Hewitt have been enthusiastic and supportive of our Association. Thank you very much.

ELECTIONS

Elections will be held at the February 28th meeting. Positions available are: President, Treasurer, Secretary, Publicity Co-Ordinator, and Newsletter Editor. New blood is needed to keep the Association active and fresh. We would like to see an entirely new executive elected at this meeting.

DUES

Membership fees are due at the end of February. Despite inflation, our dues remain steady at \$20 for graduate membership, \$6 for student membership, \$16 for associate membership, and \$35 for institutional membership. These dues entitle a member to hold office in OALT/ABO at a regional and provincial level, to vote at the annual conference and at regional business meetings, to receive the regional and provincial newsletters, to receive the membership directories, and to attend workshops and meetings designed to upgrade and inform technicians. Prompt payment of dues will ensure that everyone gets all relevant publications and notices in good time. Please send membership fees to: NALT, P.O. Box 611, Niagara Falls, Ontario. along with the enclosed membership form.

TREASURER

Congratulations to Sue Pullan on her new job at Sir Sanford Fleming College in Peterborough. Our thanks to her for taking up the position of treasurer.

Thank you to all who showed their support of our Association through this draw.

BOOKLET

The booklet made up by Niagara region, entitled "The Library Technician", has been distributed to employers in the area, and was presented at the November 4th Provincial Executive and Board of Directors meeting. It was enthusiastically received, and it was decided that the Provincial would adapt this booklet for its own use at display booths and for promoting the Association and the hiring of technicians. Final draft of this booklet is ready, and will be printed in the near future.
