VOLUME 4, NO. 1
APRIL 1980

PRESIDENT'S REPORT

A major proposal for change has been presented to the Board of Directors for consideration at the upcoming convention. We've extracted all of the changes proposed for your consideration. On May 2, the Board and the Provincial Executive will be meeting and discussing the proposals. If you have any input for the meeting please

call me or write (Liz Aldrey, 312 Inverness Ave. E., Hamilton, Ont. L9A 1H2 389-7814 (H) or 389-4461, ext. 595 (W)). If there are any questions or you want clarification of any point, contact myself or Andrew Porteus.

Andrew Porteus, Past President, and myself have scrutinized these proposals and feel that they should be sent to committee until the next convention as there are many controversial issues that should be studied in detail before presentation to the convention floor.

Again, we encourage you to submit comments, suggestions, verbal abuse, or any other form of communication that comes to mind. Are you out there? We need feedback!

We regret to inform you that London Regional Branch has submitted a request for suspension for approval at the convention. The funds will revert to the Provincial Treasury with the specification that \$ 500 be held in trust for their use when they reactivate themselves.

The current newsletter editors have submitted their resignations. They have proposed that the newsletters should move to a different region each year and be prepared for printing by a committee of four people. What is your response to this proposal?
