PRESIDENT'S MESSAGE

The Fall has been very quiet in the Branch and rather discouraging. It feels as if there are only about a half - dozen members of NRB -- or less. I know that there are only about that many that attend our functions. I have a feeling that the executive is working in a vacuum. We have tried many things - different days, different locations, and a wide range of activities. However, the response to these has been disappointing in regards to numbers of people attending. At least those who do come out show enthusiasm. We have not received any ideas, suggestions, etc., from the general membership - HELP!! - we are becoming stale, running out of ideas, disillusioned. At the Provincial level, in some quarters, Niagara Regional Branch is known as 'The Liz and Andy Show.'

At this point, I will quote from a recent issue of Tete-a-Tete (June 1981: vol. 3, no.1), the Ottawa Regional Branch Newsletter. It is appropriate, and presents valid points which should be of concern to us.

TWELVE WAYS TO DESTROY AN ASSOCIATION

- * 1. Do not attend meetings.
2. If you wish to attend, arrive late.
3. Criticize work accomplished by leaders and members.
- * 4. Never accept nominations for positions, it's far easier to criticize than to achieve.
5. Exhibit irritation if you are not part of a committee, and if you are, never surrender your suggestions.
- * 6. If the president asks for your opinion, reply "no comments." After the meeting, make known publicly what should have been done.
- * 7. Keep your input to a strict minimum. If your colleagues are giving it all they've got, accuse them of being part of a clique.
8. Delay your membership fees.
- * 9. Do not concern yourself with enrolling new members.
10. Complain when nothing is published concerning your activities.
11. Do not read the newsletters or publications sent to you regularly.
12. Solidarity is too good to be true. BUSINESS IS BUSINESS.

* Indicates points which I am especially concerned with.

As for the New Year, we have, I believe, a couple of interesting and informative functions planned. On Saturday, January 16, 1982 we will be hosting a workshop on "How to Repair Books Well and Inexpensively." It will be an all day, hands - on session. Secondly, on Monday, January 25, 1982, Mrs. MacKay of the Niagara Regional Detention Centre Library should provide a fascinating session on jail libraries. Recently, as a member of the Public Institutions Panel for Hamilton-Wentworth, I toured the Hamilton-Wentworth Detention Centre, including the library. It was certainly a different place to work. The clientele are not your regular

everyday patrons. I am looking forward to hearing Mrs. MacKay speak about her experiences, the problems of a jail librarian, and procedures used in a jail library.

COME OUT AND PROVE TO US YOU ARE STILL ALIVE! WE ARE BEGINNING TO WONDER!

FROM THE DIRECTOR'S CORNER

As I indicated in the last newsletter, the Niagara Regional Branch has agreed to edit the Convention issue of the OALT/ABO Newsletter/Nouvelles. We are well underway. Much of the copy for the newsletter has already been produced. We are still awaiting short (3-4 lines) blurbs on some of the workshops. Once translated, we will be preparing the newsletter for printing. There is quite a bit of work to be done - cutting, pasting, typing, mailing, for example. We would appreciate help from anyone to do these jobs. Contact myself, at 389-7814, or Andrew Porteus at 357-4570.

Currently, the Board of Directors and Provincial Executive has many activities on the go. The Funding Committee is active and is investigating advertisements in the Provincial Newsletter. A pamphlet is being prepared to send to prospective employers, especially those who may not be aware of library technicians and the services they provide. As well as businesses, other possible employers include law offices (where two of last year's grads found employment), and medical practices. Many letters have been sent out by the Essay Contest Committee announcing our contest. Now, we are just awaiting essays from library technicians, and student library technicians. Two colleges have informed us that entering an essay in this contest will become a new part of the course requirements. The Proposal for Change Committee held its first meeting on November 28. Andrew Porteus (again) is our representative on this committee. He would appreciate hearing your opinions on constitutional and by-laws changes, at the Provincial level (see earlier edition of newsletter for details). Danielle Amat (President, OALT/ABO) and Nancy Carlucci (Public Relations, OALT/ABO) visited the students in the Library Science Programme at Western University, and first year students in the Library Technician Programme at Fanshawe College recently. They had a very favourable reception from the students at both of these Institutions. At Fanshawe, the students were so enthusiastic about the association that almost all of them joined the association, including six new members for Niagara. Thanks Danielle and Nancy. They are planning to visit students in the Library Sciences Programmes at the University of Toronto and at McGill University in the new year. To our regret Francine LaCasse, the Provincial Secretary, and an enthusiastic OALT/ABO supporter, has resigned her position and will be moving to Alberta very shortly. We are sorry to lose this hard working member of OALT/ABO, but wish her luck in her future endeavours. Helen Luoma (TALTA) will be the Interim Secretary.

If there are any comments, suggestions, etc. that you wish to input to any of the Provincial committees or if you have any brainstorm for the Provincial Executive and Board of Directors, please contact me at 389-7814.

- Liz Aldrey.
