OALT/ABO 18TH ANNUAL CONFERENCE

MAY 23 TO 25, 1991

On behalf of City Council and the people of Toronto, it is my pleasure to extend greetings to the delegates attending the 18th Annual Ontario Association of Library Technicians Conference.

As Mayor of Toronto, I am pleased that your Association has chosen our city for this important conference. The most dramatic influence on libraries of all types today is the rapid introduction of new technologies with broad implications for services, staff, collections and buildings. This conference will provide a valuable forum for your members to consider the challenges facing library workers

Please accept my best wishes for a successful conference, and to our visitors, a delightful stay in Toronto.
