Message from the Board of Directors

Dear Friends and Colleagues,

I invite you all to join us for our 48th annual, and first virtual conference from May 8 to May 15, 2021. The association began planning our conference to travel to Sudbury, however due to the current pandemic, your Conference Committee has been working hard to transform our in-person conference to be the associations' first ever virtual conference. The theme of our conference is Virtual North.

With a wide range of topics and presenters from many different backgrounds we hope everyone will find something of interest. Our opening reception will kick off the conference on Saturday May 8th at 2pm. Introductions from the Board, and our guest speakers Liz Aldrey and Doug Willford will provide a presentation on the history of the association, and going into the digital age. There will also be time to catch up with colleagues.

Our sessions are scheduled to start on Monday, May 10th, with a variety of live and pre-recorded sessions with time for Q&A with speakers via Zoom. The daily schedule will run from 8:55am, until 5pm. We also welcome the Crime Writers of Canada, who will be hosting panel discussions during the lunch hours. There will also be a number of social events held in the evenings, which will include games night, an Awards Ceremony to recognize and congratulate our award winners, and a special Thursday evening panel discussion from the Crime Writers of Canada

I wish to express my thanks to Janna Munkittrick-Colton, and the Conference Committee for their hard work in planning, and execution of this fantastic event. I also wish to thank the Board of Directors and Appointed Officers for their work over the last year.

Volunteer opportunities are always essential for a conference to run smoothly. If you are interested, please reach out to our Conference Team at conference@oaltabo.on.ca.

Conference details will be posted on our website (<https://oaltabo.on.ca/conference>), and social media accounts over the next few months. Please share these widely with your colleagues and networks.

Regards,

Vincent Elit

Message du conseil d'administration

Chers amis et collègues,

Je vous invite à vous joindre à nous pour la 48^{ième} conférence annuelle du 8 au 15 mai 2021. En raison de la pandémie, le comité organisateur de la conférence travaille d'arrache-pied pour transformer cette conférence qui aura lieu en format virtuel directement de Sudbury. Le thème de cette année est « Le nord virtuel ».

Avec une grande variété éventail de sujets et de conférenciers de divers horizons, nous espérons que chacun d'entre vous y trouvera quelque chose d'intéressant. Notre réception d'ouverture aura lieu le samedi 8 mai 2021 à 14 h. Des membres du conseil d'administration vous feront part des nouvelles de la dernière année. Nos deux invités, Liz Aldrey et Doug Willford, présenteront un historique de l'Association et son évolution dans l'ère technologique. Finalement, vous aurez aussi la possibilité de renouer avec vos collègues de façon virtuelle, bien sûr.

Les ateliers débuteront le lundi 10 mai 2021 et auront lieu de 8 h 55 à 17 h. Ils seront offerts en webinaire ou en présentiel grâce à la plateforme Zoom. Tous les ateliers auront une période de questions à la fin. Nous avons aussi le plaisir d'accueillir des membres de l'association Crime Writers of Canada qui présenteront une table ronde à l'heure du dîner, du lundi 10 mai au jeudi 13 mai.

Cette année, les activités sociales se dérouleront le mardi 11 mai et notre cérémonie de remise de prix aura lieu le mercredi 12 mai. Notre partenaire, « Crime Writers of Canada », présentera aussi une activité spéciale le jeudi 13 mai en soirée.

Je tiens à remercier Janna Munkittrick-Colton et le comité organisateur de la conférence pour leur travail acharné dans la planification et l'exécution de cet événement virtuel. Je tiens aussi à remercier le travail de chaque membre du conseil d'administration et du comité exécutif durant la dernière année.

Nous sommes toujours à la recherche de bénévoles pour aider à l'organisation des conférences annuelles. Si vous êtes intéressé, veuillez communiquer avec nous au courriel conference@oaltabo.on.ca.

Des informations supplémentaires sur la conférence seront disponibles sur notre site web (<https://oaltabo.on.ca/conference>) ainsi que sur nos différents médias sociaux au cours des prochains mois. Je vous invite à partager cette invitation avec vos collègues et dans vos réseaux professionnels.

Sincèrement,

Vincent Elit

Message from the Conference Coordinator

I would like to invite everyone to participate and enjoy our first Virtual OALT/ABO Conference called Virtual North. We had planned on travelling to Sudbury to share our workshops and knowledge with the Northern part of the Province.

With the onset of the Pandemic and having to cancel our 2020 Conference last year, we decided to hold our first virtual conference, hosted by the lovely community of Sudbury. We will still be hosted by the community of Sudbury virtually. We will take you there through some interesting videos that visit many of their great sites!

With a virtual conference it does give us the opportunity to reach a wider audience and you can attend the workshops from home or work. Some of the sessions will be live with a question and answer period to follow, while others will be presented as a webinar that you can attend at your convenience.

When you register for the conference and pay the admission fee, you will be sent a link and password to access the workshops. The conference will be broadcast using the Zoom platform.

Monday through Thursday at noon you will have the opportunity to view panel discussions presented by the Crime Writers of Canada. We are also planning to have a Thursday night extravaganza from them as well. With a wide variety of topics being offered by so many talented presenters this year, we hope that you will find this "First Virtual Conference" as exciting to attend as the organizers did to plan it.

I would like to thank Melanie Taylor-Ridgway, Pauline Gordon, and the Board of Directors of the OALT/ABO for all of their support.

Message de la Coordinatrice de la conférence

J'aimerais vous inviter à participer à la première conférence virtuelle de l'OALT/ABO, « le nord virtuel ».

Cette année, nous avions prévu nous rendre à Sudbury pour partager nos connaissances et nos ateliers avec nos collègues du nord de la province. Toutefois, en raison de la pandémie et de l'annulation de la conférence de l'an dernier, nous avons opté d'offrir une conférence virtuelle. La communauté de Sudbury sera notre hôte ; elle vous proposera de découvrir la ville et ses différents attraits grâce à des visites virtuelles.

Grâce à cette conférence virtuelle, nous espérons avoir l'opportunité de rejoindre plus de bibliothécaires et bibliothécaires, que vous soyez au travail actuellement, maintenant retraités ou de futurs collègues. Comme par le passé, nos conférenciers offriront une variété d'ateliers sur une multitude de sujets. Vous pourrez participer aux ateliers de la maison ou de votre lieu de travail. Certains ateliers seront en direct et incluront une période de questions à la fin. D'autres sessions auront deux formes : en webinaire pour être visionnées ultérieurement ou en présentiel avec un jour et une heure fixe si vous désirez participer à la période de questions en direct.

Une fois votre inscription à la conférence payée, vous recevrez un mot de passe pour accéder à toutes les activités. L'accès se fera à partir du site web de l'Association et nous utiliserons la plateforme Zoom.

Nouveauté cette année : Des membres de « Crime Writers of Canada » présenteront une table ronde du lundi au jeudi à midi ainsi qu'un événement spécial le jeudi 13 mai en soirée. Le comité organisateur a pris un grand plaisir à organiser cette première conférence virtuelle qui, nous l'espérons, comblera vos attentes.

J'aimerais remercier Melanie Taylor-Ridgway, Pauline Gordon, ainsi que le conseil d'administration l'OALT/ABO pour leur soutien.

Leveraging circulation data and market research at your library with BookNet Canada

Monique Mongeon

Have you ever wondered how borrowers find their next great read? Whether holds are a strong indicator of a book's sales performance or how library borrowing affects a reader's buying habits? How long does the average bestseller stay popular at the library? Which subjects are on the rise this year? Drawing on BookNet, Canada's years of research on Canadian readers, book buyers and borrowers, as well as our nationally tracked sales and library circulation data, we'll dive into the data on all things books. We'll explore how Canadians discover their next great read, how demand patterns compare between the retail and library markets, and how libraries can harness the power of data to identify opportunities to improve collections. You'll come away with customer insights, tools and tactical data-driven strategies to increase efficiencies and better understand your customer.
